MEMORANDUM FOR: Deputy Director for Intelligence

FROM   : Director of Central Intelligence

SUBJECT   : Letter of Commendation

Please convey our appreciation to all those (see attached list) who contributed to the draft study "International Terrorism: The Problem of Patron State Support." I understand the Department of State has characterized it as a superb, timely and comprehensive work that will be invaluable to State's efforts in combatting a particularly vexing aspect of international terrorism.

I am gratified that this highly successful team effort produced such an excellent piece of analysis and look forward to its publication in October.
